

Learn how to join virtual programs from home.

SOMEONE
WANTS TO
HELP YOU
ZOOM!

Do you want to take part in programs and activities from the safety of your own home? Are you unsure how to use your technology to join?

We have a team of friendly and patient volunteer Tech Tutors who want to help you connect to our virtual programs using Zoom.

All support will occur over the phone.

What do you need to receive support?

- Willingness to learn
- A computer, tablet, or smartphone with a working camera and microphone.
- Internet access at home.
